Dear Grand County Residents:

The Board of Directors for the Grand County Council on Aging (GCCA BOD), along with our esteemed Executive Director Lisa Jonas, are happy to announce that on May 18, 2018, the BOD voted unanimously to begin a collaborative merger process with the Mountain Family Center (MFC).

Upon receiving Mrs. Jonas' notice of retirement, the Board, with the help of outside council, began talks to determine how we could continue to serve the Senior population in Grand County. After careful review of our options, the GCCA BOD strongly believes that the Mountain Family Center and its dedicated Board of Directors, volunteers, and staff have the desire and collaborative resources to serve Grand County Seniors.

Over the course of the next six to 12-months, you can expect the Board of Directors to navigate this merger with the highest degree of professionalism and assurance that this community will continue to be our top priority. MFC and the GCCA BOD promise to provide you with honest, timely, and accurate information throughout this process.

Please be assured that there will be no interruption in our current transportation services. Rides will continue throughout Grand County, Steamboat Springs, Summit County, and along the Front Range.

The Grand County Council on Aging and the Board of Directors thank all of you for allowing us to serve Grand County since 1972.

Sincerely,
