# HOMOPHONE:

Two or more words that sound the same but are spelled differently and have different meanings

An example of this is **Pear** (like the fruit) and **Pair** (like a pair of pants!)

Another example is **One** (like the number 1) and **Won** (like "I won the game!")

Other examples are:

**Nose** and **Knows**

**Maid** and **Made**

**Hair** and **Hare**

Can you think of any other examples?
