

## **Drop Hunger Official Rules 2023**

By purchasing a ticket I acknowledge that I am a US Resident, at least 21 years of age and have read and understood the MFC Drop Hunger rules, as follows:

1. Tickets are \$5 each. All tickets must include name, mailing address, phone number and email address as well as your guess for date and time, to the minute, including AM or PM.
2. Organizers are not responsible for contacting ticket holder to clarify a guess if there is missing or unintelligible information (date, time, am/pm). These guesses will be disregarded.
3. Winning prize will be 50% of net sales (excluding additional donations).
4. Winner will be closest chosen time, either before or after, to refrigerator drop. Any ties will equally split the prize.
5. Drop is defined as when the bottom part of the refrigerator goes through the ice AND any part of the line drawn on the refrigerator at the freezer level touches the ice.
6. Drop will be video monitored and Drop Time will be determined by time on video recording. In the event of any malfunction of video monitoring devices making it impossible to determine the time of the drop using video recording an alternate timing device connected to the refrigerator will determine the time of the drop. Final Drop Time will be determined by Mountain Family Center and the Fraser River Valley Lions Club using the above monitoring devices.
7. All tickets must be purchased between February 8<sup>th</sup>, 2023 and March 31<sup>st</sup>, 2023.
8. All sales are final. No refunds.
9. Winner or winners will be notified within seven days after the drop. Any prize not claimed in thirty days after the drop will be forfeited and distributed as follows: If there were other winning tickets with the same time the unclaimed share will be equally divided among those winners; if there are no other picks of the same time then the unclaimed prize will be distributed to the next closest time either before or after as set out in rule 4 above.
10. Organizers reserve the right to cancel due to acts of God, vandalism/tampering of the refrigerator or any other unforeseen circumstance beyond our control. In case of one of these events, half of the funds collected up to that point would become donations to MFC and half would be reserved for the prize for the following year.
