Taking Steps for Cancer is preparing to hold its annual Golf Tournament at the Grand Lake Golf Course.

The funds raised through this event and several others are distributed throughout the county through Mountain Family Center, a 501(c)3 charitable organization registered with the State of Colorado. Taking Steps for Cancer was created to help meet the needs of Grand County families affected by cancer. Assistance is offered in the form of financial reimbursement for costs not covered by insurance, such as mileage, lodging, meals, co-pays, and other expenses related to treatment.

If you would like to learn more about the Golf Tournament, please contact Brenda Freeman at 970-531-6841 or BFreeman@LivSothebysRealty.com
